

Introduction

Lesson-3 showed us how even **Pi** is part of the KJ Bible Ordinal Numerology. In lesson-4 we go a little further with **Pi**, then onto **Jesus** and how he is part of the numbers. Jesus came to earth and brought us the **Word(26)**.

Reversing the Pi index

We know **Pi** does some wild stuff but to reverse the alignment index should mess things up, right? well no, it does something quite incredible.

When we add another index and count in reverse order **37** down to 1, we get a new alignment.

Remember our **12** and **37** alignment, well now it has a **26**,, yes its back.

God does all things well. ' **Word**'=**26** in the Hebrew Ordinal.

Mark 7:37

And were *beyond measure* astonished, saying, *He hath done all things well: he maketh both the deaf to hear, and the dumb to speak.*

Jesus the light and the way

What are the Ordinal numbers for Jesus Christ..

JESUS (10+5+19+21+19) **CHRIST** (3+8+18+9+19+20) English Ordinal = **151**

Lets view all the ordinals....

All Ordinals for English, Greek and Hebrew are **151, 205, 115**

$$151+205+115 = 471$$

$$471 = (157+157+157)$$

157 is the 37th Prime number

there for 471 = 37th Prime x 3

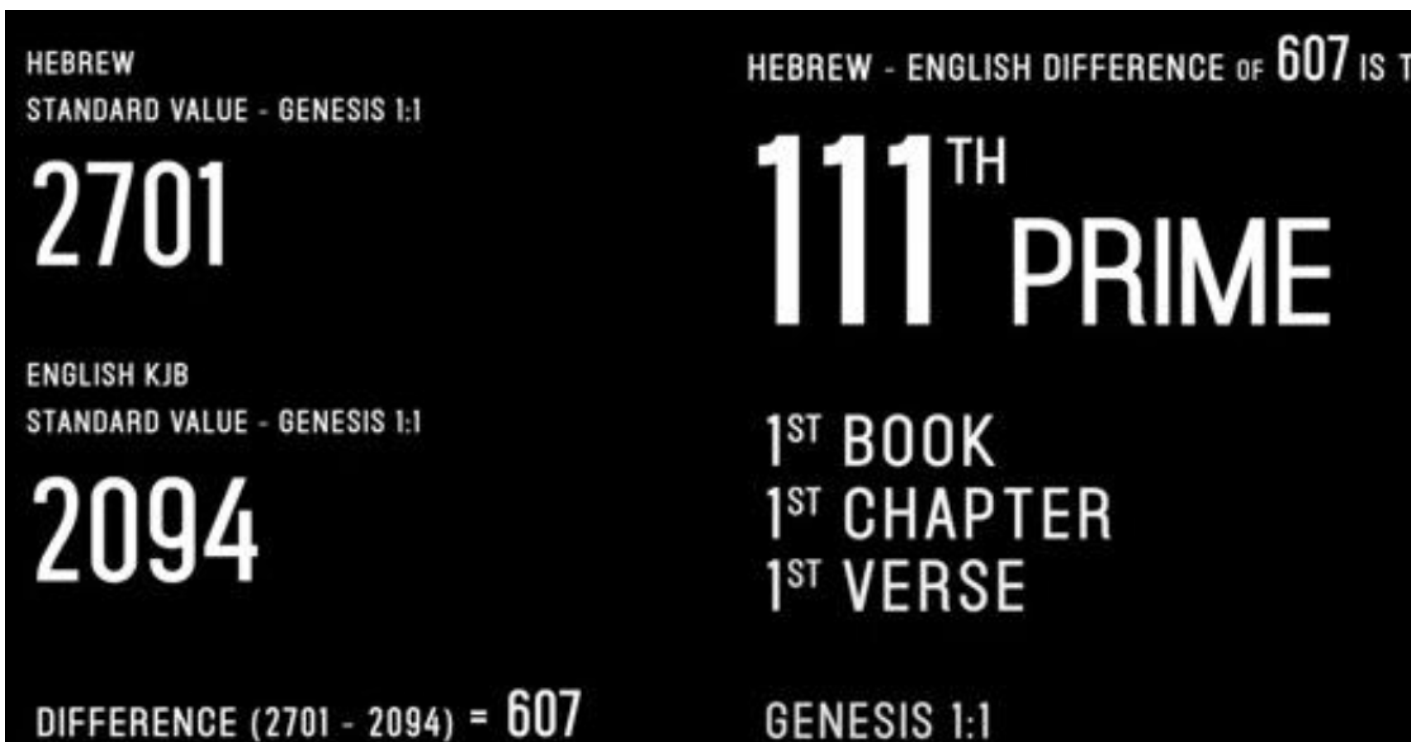

So, **Jesus Christ** Ordinal has brought us to the **37th Prime x 3**. Lets dig deeper, and look at **Genesis 1:1** the **first** chapter of the **first** book, the **beginning** of **creation** and life.

Genesis 1:1 has a Hebrew Ordinal value of 2701 and English Ordinal of 2094. The difference of the two is $(2701-2094)=607$.

Now, 607 is the 111th Prime number, 1, 1, 1.

 Ordinal Numerology that points to Genesis at the very start of the KJ Bible. Next we see how its tied in with three 7's (purified 7 times). Watch how 37 just cascades through the word.

1st Book

1st Chapter

1st Verse

We see how the 111th Prime number = 607 (the difference between the two Ordinals)

$$111 = (37+37+37)$$

The Hebrew Ordinal of Genesis is 2701 which = (37 x 73) Mirrored (3773)

Take Ordinal of 2701 and add its mirror number (2701+1072) = 3773

Through numbers God is verifying the verifying of his Word. Man did not invent Mathematics, it was discovered and is labelled a science. Maths is a language of God. Lets get back to our prime numbers.

See above image with a line of triple digit prime numbers. it's a pattern, adding the prime number values from Prime 111, 222, 333 etc up to 999.

The total sum of the 9 prime numbers is 37037

The Hebrew Ordinal of Genesis is 2701 which = (37 x 73) Mirrored (3773)

Take Ordinal of 2701 and add its mirror number (2701+1072) = 3773

Genesis Hebrew Ordinal = 2701 which = (37 X 37)

Now comes the kicker.

The 37th verse of John contains the 373rd mention of Jesus in the KJ Bible.

John was the prophet paving the way for the arrival of Jesus.

John 1:37

And the two disciples heard him speak, and they followed Jesus.

that verse has the 373rd mention of Jesus and is the 65465 Word in the JK Bible.

The English standard Ordinal for "Word" is 654

The Greek Ordinal for "Word" is 373

Jesus started the Gospel in his time, (he brought the **Word**). In the next lesson we go way deeper in to the numbers and **Jesus**. He is at the **centre** of all scripture and the **Word**, and the **numbers** will show it. Hang on for the rest of the (Pi) connection it wont be long now. We just have to get Primed up for it.
